Welcome

Welcome to the 2018 NY-USAW Wrestling season. The Section 2 Adirondack Region board is working alongside the NY-USAW state board to ensure a successful year by planning early, improving communication and expanding local competition opportunities.

The development of this newsletter is one example of the tools developed by the Section II Board to improve communication. This newsletter will be updated on a monthly basis and will communicate need to know information such as upcoming event dates, contact persons, resources and local athlete achievements.
