

18th  
Annual

 **WARRENSBURG  
WRESTLING CLUB**  
Golf Tournament Fundraiser

The Warrensburg Wrestling program has once again put together an unbelievable season! We are now **6X Adirondack and Class D Champions!** We qualified the team for the **NYS Dual Meet State Championship** making it to the semifinals and again as a team we won the **Section 2 Division 2 State qualifier Tournament**. We also qualified **5 individuals for the NYS tournament** placing **Tanner McKenna 7<sup>th</sup>** and **Tristen Hitchcock 1<sup>st</sup>**! To place in the state of NY in the sport of wrestling is an extremely difficult thing to do! To win it is amazing!! Tristen is the first athlete in school history to achieve this goal!

The Warrensburg Wrestling Club is holding our 18<sup>th</sup> annual benefit golf tournament at Cronin's Golf Resort in July of this year. The golf tournament continues to be one of many fundraising efforts that we host to help pay for all the items that are needed to keep the team at the top!

We recognize and appreciate the fact that there are a number of organizations in our community looking for support and as a business you have to be selective on the number of donations you can make each year. We appreciate you considering us!

Attached are the various sponsorship levels, sponsoring company information sheet and golfer participant's registration information. Please keep in mind that we will need all sponsoring company information by **June 20<sup>th</sup>** in order to include your advertising information on the various promotional items being made for the tournament.

For further information, please do not hesitate to contact Scott & Kim McKenna @ 518-623-4565 or Beth Hill @ 518-955-1214.

Again, we truly appreciate your support past, present and hopefully in the future.

Sincerely,

The Warrensburg Wrestling Club, Team and Coaches
